

METUCHEN CURSILLO MOVEMENT
CANDIDATE APPLICATION FORM
(Applicants should be 18 years of age or older)

The Cursillo movement is an instrument of the Catholic Church for the revitalization of Christian life. For the people in the movement, it involves a restructuring of our lives through an ongoing program of sharing. The three day weekend is an introduction to a means of growing and persevering in our faith. It offers an ongoing program of support, with the help of a Christian community, that enables us to be more effective apostles in our home, at work and among friends. In making this application to attend the Cursillo, we ask you to prayerfully consider your purpose in attending. We ask only for the commitment to the weekend; however, it is important that you be open to this experience and to participation in the follow-up program. This is an application ONLY; you will be notified upon acceptance.
